

Mid Hudson Chapter of RGS & NAVHDA 2017 HABITAT SHOOT Sunday, August 13, 2017

Registration: 8:00 a.m. Shooting: 9:00 a.m. Lunch: After Shooting

Guarino Farms/St. Hubert's Club

626 Lattintown Road • Marlboro, NY 12542

The Ruffed Grouse Society (RGS) is a premier conservation organization benefiting many young forest species. RGS is, also, a conservation partner of NAVHDA.

In order to strengthen the relationship on a local level, the Hudson Valley NAVHDA Group has arranged for a 100 target sporting clays shoot at Guarino Farms.

The cost is \$105.00 for 100 targets and includes continental breakfast and barbecue lunch.

It is a beautiful location and a nice course. Come hang out with your friends and fellow conservationists and improve your shooting at the same time. Make your reservations early as space is limited!

PROCEEDS BENEFIT LOCAL HABITAT!

STATION SPONSOR: \$75

All sponsors will have a poster on a station.
